Response to Notification of Non-Compliance with 37 CFR 1.192(c)

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

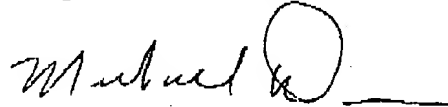

We are in receipt of the Notification of Non-Compliance with 37 CFR 1.192(c) with respect to the above-identified patent application and find it somewhat confusing.

The Notification states that our Appeal Brief filed on October 7, 2002, did not contain a statement of the status of the claims; however, on page 2 of the Appeal Brief under the heading "Status of the Claims" we clearly identify all claims, including pending or cancelled and the claims remaining rejected and currently on appeal. Also included with the Appeal Brief was Appendix A which has the claims on appeal as being 1-3, 7, 9, 10 and 13, the same claims that you have listed on the Advisory Action of August 22, 2002, as being rejected.

As can be seen from the above, we believe our Appeal Brief to be complete and reconsideration of the Non-Compliance is courteously requested.

Respectfully submitted,

Dated: December 19, 2002
